

Personal Testimonies:

"I have been a Christian for 30 years. Never before have I been given the tools, teaching and practical demonstration of how to deal with the plaguing thoughts of self-condemnation, doubt, fear and hopelessness that can fill my mind. Cleansing Stream has been an absolute blessing in my life, I have grown so much in my faith and I am learning more and more each day to live in the 'peace that passes all understanding.'"

"I was a victim of sexual abuse from the age of 5 to 10 by three family members. Through Cleansing Stream my Lord has set me free from rejection, fear, death and destruction. Since last years retreat I have grown in freedom. My marriage has improved because of my healing. I am finding out who I was meant to be before I was abused. God has used Cleansing Stream powerfully in restoring me to wholeness."

"I must say I was nervous about what to expect when I first started the Cleansing Stream Course as I had heard that it, and the Retreat, would take me outside the comfortable world of Christianity that I had known for the past 25 years. What I experienced was teaching and study material that took me back to scripture in a fresh way and brought me new understanding of the freedom and authority that we can experience in Jesus Christ. During the Retreat, the Holy Spirit revealed to me areas of my life where I was not walking in that freedom and authority and I was delivered from those bondages. I also experienced physical healing from heart palpitations that had been plaguing my life on a daily basis. There is so much I still have to learn and I will definitely participate in the Cleansing Stream Course again."

Personal Testimonies:

"Cleansing Stream has given me the opportunity to bring my life under the control of the Holy Spirit and to keep it there. Through the course I have experienced cleansing and release from things that have impeded my growth and hindered my Christian living. This has freed me to grow closer to God and fulfil his purposes for my life. It has enabled me to find healing in areas of my life where emotional damage has been present."

"Through doing the Cleansing Stream course, I have learnt how to allow the Holy Spirit to search deep inside me and purge me of the things in my life that have prevented me from having a full and loving relationship with God. This has included becoming aware of, and overcoming the influence of family beliefs and culture that stood in opposition to God's direction. Now, I have the strength and courage to accept God's perfect plan for my life. He has changed my hardened heart to one of compassion and love for others."

"The Cleansing Stream Course has changed my life and the life of my family. It has helped us to understand spiritual truths and has strengthened our belief in Jesus Christ."

"My eyes were opened and an understanding gained that the choice was mine. As painful as it then seemed, I chose to let the hook in my soul be removed. That part of my personality, which had held me back. I had fought it for so long. I had concluded that my "Latin temper" was just my heritage - my gene pool. Now I know it was a well-placed hook of Satan. Through Cleansing Stream, that anger was replaced with self-control and the blessings have flowed and flowed."

MINISTRIES®

Healing

Discipleship

Cleansing Stream was born out of a vision that every believer will:

- Understand who they are in Jesus
- Experience the power to live in His abundant life
- Understand the principle of ongoing personal freedom in Jesus.

The Cleansing Stream Course was developed by Jack Hayford, founding Pastor of the Church on the Way and editor of the Spirit Filled Life Bible. It is a bible-based course, which has touched and transformed thousands of lives all around the world for over ten years. In Australia it is co-ordinated by Pastor Bill Wyatt, Templestowe, Victoria.

Cleansing Stream Ministries Australia is committed to making the Cleansing Seminar available to the church at large in Australia. The course is for those who have committed their lives to God and wish to be renewed and empowered for a life of victory over Satan's undermining schemes.

What makes this ministry work is the principle under which it operates: namely, it's integration into the fabric of the local church. Of course, we are interested in seeing God's people realize deliverance from human bondage; but it is equally important to us the way it is administrated and ministered in the local church, supervised by the Pastor.

When we commence our journey as children of God we carry with us hurts of the past, bad habits, burdens and bondages. These can hinder us from living a victorious life as promised to us in the bible and in being effective in serving Christ.

People who have previously been involved in the course can testify to physical and emotional healing. Some have overcome addictions, low self esteem and bitterness, others have been cleansed of the effects of abuse, abandonment and rejection. Many have overcome long held fears and felt the joy and peace of forgiving others and being forgiven.

God works powerfully in peoples lives. We hope you will join us this year. The course takes place in a small group setting. It includes 5 video sessions (45mins) with a workbook, audio teaching & reading material. An essential part of the course is a weekend retreat (Friday night & all day Saturday) where believers can experience & apply the truths they have been investigating.

Cleansing Stream Sessions:

1. WALK in the Spirit
2. COMMIT everything to God
3. SPEAK words of life
4. ENTER the Cleansing Stream
5. PRESS toward the goal.
