GREETINGS

from Pastor Bill Wyatt, National Director CSM Australia

Jesus said, "I have come that they may have Life, and that they may have it more abundantly."

Christ's statement came after He said there was a thief who came to steal, kill and destroy. Have you found it difficult to enjoy peace and abundance in relationships and the richness of God's richest blessing?

Mr Strong (no 4053 in his concordance) wrote this interpretation of abundance.

"Superabundance, excessive, overflowing, surplus over and above, more than enough, profuse, extraordinary, above the ordinary, More than sufficient."

Yes, for your relationships and every other area of your life.

CSM is most likely just what you are looking for to advance you into Kingdom living:-

Having run the Cleansing Stream Course for approx. 5 years we have found it to be a proven and powerful tool in seeing people healed and set free in areas of bondage in their lives. It has also helped us deal more effectively with individual counselling, as it focuses people on the Word of God through a 2 month discipleship course preceding the retreat. We can testify that we have seen good fruit come from the ministry and have therefore made it one of the pathways for spiritual development within our church.

Pastor Alan Wills
(Senior Pastor at Bridgeman

I was released from severe O.C.D. (Obsessive Compulsive Disorder) that I have suffered from for 30 years. Praise God!! Thank you for coming to Tassie. I know today I was also set free from many burdens in my life. I'm a warrior for Jesus!!!

TESTIMONIES

This was my 4th Retreat. God worked on a deeper level with me on Fear, Shame, Guilt and Condemnation, and Freemasonry. The Lord broke a lot of things that kept me in bondage. Each time my husband and I came to a Retreat, our marriage moved up to a new level of intimacy. We have never had that. God has done in 2 years what we never had through our 21 years of marriage. I have never experienced in marriage what I am now. My life has been so distorted in my mindset by the dysfunctional abusive life full of sexual immorality and addictions, but God has freed me.

This was our 4th Retreat. I was saved 2 ½ years ago at the darkest point of my life. I was suicidal prior to my salvation but this continued strongly for 6 months while we continued to press in to God. My marriage was in a bad state we were in a bad state individually. Each retreat has helped us deal with different issues. Depression, betrayal, suicide, fear, were all dealt with. I didn't think I had much left to deal with this time around, but there was. Fear, poverty, grief and suicidal thoughts were all dealt with.

After coming up against issues in trying to attend the Retreat I get here with the encouragement and support of the facilitator of our group. It was great and now I feel healed from the Spirit of Infirmity and many others. I am light. I don't have to carry the burdens with me anymore and I have skills from the Seminar to withstand what is against me.
