What is the Cleansing Stream?

Cleansing Stream was developed by Dr Jack Hayford, founder of the Church on the Way. It was born out of a vision that every believer will

- Understand who they are in Christ
- Experience the power to live His abundant life
- Understand the principle of ongoing personal freedom in Jesus

COURSE OBJECTIVES

The focus is on the individual, and the healing of areas of brokenness and bondage, which can prohibit the full flow of ministry and freedom in the individuals life. The teaching focus of the Cleansing Stream directs those who have willing hearts toward personal freedom, with the understanding that their freedom comes through the strengthening of their will, the breaking of bad habits, their application of the scriptural truth, and bringing to fullness the work of the Lord in each participant's life

COURSE DESCRIPTION

The CSM Course consists of five units or 'sessions' and a weekend retreat. Each session has accompanying homework and includes a workbook, book or audiotape, as well as an assignment for Bible reading, prayer and worship.

The sessions are:

1. **Walk in the Spirit**
2. **Commit Everything to Jesus**
3. **Speak Words of Life**
4. **Enter the Cleansing Stream**

The Two-day regional Retreat walks us to freedom through teachings and ministry, dealing with areas that include:

Overcoming rejection... Which exposes and breaks the strongholds of rejection.

Passage to purity... Address the issue of sexual sin and the residues of past sexual involvement

Prayer and Ministry time... Touching on additional areas such as release from guilt, shame and condemnation, unforgiveness, fear, anger, and many others.

5. Press Toward the Goal calls us to continue to walk in freedom received and the disciplines established throughout the Seminar.

WHAT THE PASTORS ARE SAYING

Pastor Lois Cronin, South Eastern Christian Centre—"We love CSM! I love the way it disciplines people, makes them get into the Word of God, learn to rely on the Holy Spirit, being sensitive to Him"

Majors Peter and Jenny Walker, Salvation Army, Hobart—"The Cleansing Stream Seminar has been a key part of the recent growth in our church. We highly recommend the CSM team and material

Revd Dr Mark Durie, St Mary's Anglican Church, Caulfield—"CSM offers a pathway towards purity and holiness. All can benefit from it, and it is especially valuable for those who are encountering significant roadblock in their Christian development. CSM creates a way forward into healing, repentance, deliverance and renewed confidence in Christ"

WHAT PARTICIPANTS ARE SAYING

"Basic foundational ways of living daily are being established in me and I'm basically being released to be who the Lord has created me to be without hindrances"

"This is like a spiritual hospital"

"I had an image from Forest Gump movies where Forest keeps running back into the Viet Cong territory to carry out his friends to safety. This is the ministry of 'Cleansing Stream', running into the enemy's territory to drag and carry the injured to safety into God's Kingdom"

"We are Free!! AN AMAZING EXPERIENCE"

"I am amazed at how the Lord has healed me from an abusive marriage which fell apart. I felt I was at the bottom of a well. But the Lord has pulled me out of this well."

"The love and acceptance I got from total strangers was so totally unexpected I have never received such unconditional love before"
